The Somerset Careers Awards 2026 will celebrate all those who are inspiring our young people and growing our future workforce.

Sponsoring the awards will raise your organisation's profile and show your commitment to inspiring the next generation.

With communications beginning in January, culminating in a celebration evening in July 2026, sponsorship of the awards offers great reach to businesses and education providers over a sustained period.

award categories

Inspiring the Next Generation

(1 to 249 employees)

For small to medium sized businesses that have invested sustainably in inspiring the next generation.

Inspiring the Next Generation

(250+ employees)
