

How can you use your learning in a job?

Hi, I am Georgia and I use English, Maths and ICT every single day in my job as Police Community Support officer (PCSO).

Name: Georgia Coles

Company: Avon and Somerset Constabulary

Job title: Police Community Support Officer

Police Community Support Officers (PCSO) act as a key liaison point between local communities and policing. Publicly facing, they provide a visible, accessible and approachable uniformed presence in the community to offer reassurance, defuse situations with threats of conflict, improve confidence and trust, gather information and foster good community relations.
