

## How can you use your learning in a job?

Hi, I am Donna and I use English, Maths and ICT every single day in my job as an Skills Development Coordinator.

**Name:** Donna Brown

**Company:** HPC Employment Affairs Unit  
Hinkley Point C Project

**Job title:** Skills Development Coordinator

I liaise with Training Providers such as colleges, to set up training programmes for people to secure employment through the Hinkley Point C Project- such as Traineeships, T-Levels and bootcamps. I oversee the planning and operation of these programmes and work with our Communications department to promote these opportunities, and with external stakeholders to attract individuals to apply. I capture data to report on the success and impact of these programmes, and celebrate the people involved.
