

# Bridgwater Health & Social Supported Internship

## Recruitment and Assessment Day Monday 2nd June

A Supported Internship starting in September 2025, in a Hospital and Care Home doing real jobs and developing your skills and strengths to enable you to be one step closer to paid employment.

During this programme you will have employability lessons, which will give you the tools you need to build your CV, prepare for interviews, learn what is expected in the working environment and help you understand your employment rights.

**Work placements include:**  
Administration  
Catering  
Portering  
Clinical support roles (non-medical)

**Gain essential employability skills**

**Are you 18-25 with an EHCP and looking to get into full time work?**

**IMAGINE**  
the possibilities

**To register or to find out more, please contact:**
